

ISTAGE DANCE THEATRE

Program and Audition Information

Incoming ensemble: Fall 2020

Thank you for your interest in the IStage Dance Theatre program at Imagination Stage!

IStage Dance Theatre is an intensive training and performance program for students in grades 7-12 who demonstrate a strong foundation in dance technique. This program focuses on advanced technique work in contemporary ballet and modern dance. Students collaborate on choreography, character development, and performance skills in order to develop an original Dance Theatre performance.

We are beginning our year online and will return to in-person classes and rehearsals later in the year.

AUDITIONS ONLINE: This year auditions will be held on Zoom. Families will be provided with the Zoom information prior to the audition. IStage Dance Theatre students are accepted by audition and/or approval from Marcia Howard, the head of the dance department. Candidates must have intermediate to advanced dance skills and have prior dance training experience.

COMMITMENT: Due to the intensive and ensemble nature of the program, dancers must have consistent and dependable attendance and participate with focus and dedication (no more than 2 absences per semester are allowed).
