

The Screen Actor's Project (SAP)

Program and Audition Information

Winter/Spring 2022

Grades 9-12

Audition: By appointment ONLY: December 2, 7 and January 4.

Thank you for your interest in the **Screen Actor's Project** at Imagination Stage!

The Screen Actor's Project (SAP) gives teen performers with the opportunity to apply their skills to an actual film project. During this 10-week semester, students will work with a professional film director to learn and practice the craft of working in front of a camera while rehearsing the short original film script, *Leaving*. Then, on March 27, students will be able to perform on-set as a film crew shoots the movie. The red carpet is rolled out for the final project premiere in the Reeve Theatre. This class provides excellent experience for students interested in film acting. The final project can be used as a portfolio piece for college.

Leaving

By, David Stern

A group of teenagers are locked up in a halfway house for criminals and homeless delinquents. Survival depends on friendships in this rough environment where children have either a dream of the future, or a nightmare of it. When one of them is finally going to be released to the custody of a distant relative, the others contain their feelings of anger and jealousy while struggling for power and longing for freedom.

AUDITIONS:

By appointment ONLY: December 2, 7 and January 4. Contact digitalmedia@imaginationstage.org for scheduling.

While year-round classes and summer productions are open to all students, SAP spots are open only to students selected through an audition process.

COMMITMENT: Due to the intensive and ensemble nature of the program, actors must commit to being at all rehearsals. Actors must have consistent and dependable attendance, and participate in the rehearsal process with focus and dedication, missing no more than 1 rehearsal throughout the semester.

SPECIAL NOTE ON CONTENT: SAP will cast a small ensemble of 5 performers. The themes of *Leaving* delve into difficult and emotional areas: crime, drugs, guilt and innocence, and bullying. Students in the Screen Actors Project must be both mature and comfortable to take these important subjects seriously and give deep thought to these concepts as actors.

- Production Date: Sunday, March 27, 9:00am-7:00pm (a typical film day)
