Thank you for your interest in the **Screen Actor's Project** at Imagination Stage!

The Screen Actor's Project (SAP) gives teen performers with the opportunity to apply their skills to an actual film project. During this 6-week semester, students will work with a professional film director to learn and practice the craft of working in front of a camera while rehearsing the short film script. Then, on March 26, students will be able to perform on-set as a film crew shoots the movie. The red carpet is rolled out for the final project premiere in the Reeve Theatre. This class provides excellent experience for students interested in film acting. The final project can be used as a portfolio piece for college.

AUDITIONS:

By appointment ONLY: January 11 and 12 (5:30-7:30). Contact digitalmedia@imaginationstage.org for scheduling.

While year-round classes and summer productions are open to all students, SAP spots are open only to students selected through an audition process.

COMMITMENT: Due to the intensive and ensemble nature of the program, actors must commit to being at all rehearsals. Actors must have consistent and dependable attendance, and participate in the rehearsal process with focus and dedication.
